

Saranya Hari Kumar

saranyahari.shk@gmail.com | [LinkedIn](#) | [Portfolio](#)

6 years of progressive career in Architecture and specialized skills in 3D modeling, rendering, interior design, and user-centered digital design. Skilled in a broad range of design tools, including **AutoCAD, Revit, Rhino, VRay, Lumion, Sketchup, and Adobe Creative Suite**. With 4 years of project management experience, I have successfully led cross-functional teams, coordinated stand-up meetings, and delivered 50+ projects across architecture, interior design, digital, and print media.

WORK EXPERIENCE - FULL TIME

Architectural Technologist - Kreate Architecture and Design Ltd., Regina

Sep 2023 – Present

- Contributed to schematic design, design presentations, and construction documentation for healthcare facilities.
- Analyzed municipal zoning and building bylaws, coordinated engineering drawings, and created construction documentation for retail and daycare projects.
- Developed permit drawings and coordinated with consultants for high-profile interior renovations in office and restaurant spaces.
- Designed preliminary schemes for colleges and public-sector schools, ensuring compliance with NBC 2020 accessibility standards.

Freelance Architectural Designer - Remote

Aug 2021 – Sep 2023

- Executed architectural detailing, facade designs, BIM 3D modeling, realistic rendering, and interior mood boards for commercial and residential projects.
- Led end-to-end project execution, from requirements gathering to scoping, stakeholder alignment, field reviews, layout design, and high-quality visualization for design walkthroughs.
- Collaborated with clients, designers, engineers, and developers to deliver user-centered designs.

Architect – Pithavadian and Partners, India

Jun 2019 - Aug 2021

- Led design and execution for 20+ large-scale residential, industrial, and commercial projects, including three simultaneous office design projects across various construction phases.
- Collaborated with clients, contractors, and consultants (civil, MEP, structural) to ensure high client satisfaction, project quality, and smooth transitions from concept to implementation.
- Oversaw FF&E procurement and supplier engagement, optimizing budgets and ensuring timely, cost-effective delivery.
- Managed construction budgets, specifications, and tender documentation in compliance with zoning regulations and building codes, providing contract administration support through on-site meetings and shop drawing reviews to maintain quality and project success.

Architect – Beads Architects, India

Jun 2018 - Jun 2019

- Conceptualized and collaborated with a cross-functional team for design development.
- Drafted and presented site analysis, preliminary spatial plans, and design aesthetics to clients.
- Developed construction drawing documents and high-quality visualizations for residential projects.

WORK EXPERIENCE - PART-TIME

UX/UI Designer – EnoLight, Markham (Part-time)

Apr 2023 - May 2023

- Conducted UX research through 7+ user interviews, usability tests, surveys, competitive analyses, and heuristic evaluations to identify actionable insights and constraints.
- Designed experience flow diagrams and developed an information architecture to support the future expansion of the company's lighting products.

Student Ambassador & Visual Designer – ARIES, Centennial College

Apr 2022 - Dec 2022

- Increased student enrollment in the Centre of Entrepreneurship by 70% through strategic marketing, creating 50+ assets (presentations, illustrations, web redesigns, re-branding, and social media content), and conducting an audit of promotional materials to enhance user engagement based on customer feedback.
- Collaborated in an agile environment to organize 60+ workshops and events, including the Global Goals Jam - Canada and SDG training, successfully promoting the Centre's programs and initiatives.

EDUCATION

Interactive Media Management, Centennial College, Toronto, ON

Jan 2022 - Dec 2022
